What’s Next?

This page is for those who have just submitted an article.

All submissions will be carefully considered for publication. You can expect to receive a response via email within one week.

If we reject your submission, please do not expect us to explain why. We reject poor writing (poor grammar, syntax, composition, punctuation) and inaccessible writing. We look for writing that is clean and clear, easy to understand, and interesting.

The other primary reason for rejection is because the article is not a good fit for one or more of the following reasons:

- Not understanding or aligning with our values.
- The article is what we call “fluff.” We want substance and depth.
- The article will not interest our readers.
- The article will not get enough traffic.

If your article is approved, an email with instructions will be sent to you.

Thank you for your interest in Organic Lifestyle Magazine and Green Lifestyle Market. Good luck!
