- Include the entire article – start to finish – (include source links and all copy as published).
- Keep the formatting as is with subheadings and bullet points.
- The beginning of the article must state that this is a republication of an article from Organic Lifestyle Magazine, and link the name, “Organic Lifestyle Magazine” back to the URL of the published article at our site.
- You may also publish pieces of the article as long as they are cited using proper attributes with smart links
- https://creativecommons.org/licenses/by-nd/4.0/

Example: This article is reprinted with permission from Organic Lifestyle Magazine.

- Add the author’s bio to the end of the article.
- If the site has a special section for an author bio, place the following copy in that space:

Organic Lifestyle Magazine is a digital publication that focuses on natural healing and wellness, environmental

issues, human rights, and animal rights. Click here for republication information.
