Joe Biden Says Facebook is Killing People With Misinformation

President Joe Biden accused platforms, like Facebook, of "killing people" with Covid misinformation.

> *They're killing people – I mean they're really, look, the only pandemic we have is among the unvaccinated*

The Surgeon General publically called health misinformation "a serious threat to public health" and called out Facebook for not doing enough to stop covid misinformation.

A Facebook spokesperson told CNN that more than two billion people have viewed "authoritative information" about Covid-19 and vaccines on Facebook.
